

# Christoph Müller

**Christoph Müller, Verwaltungsrat Inrate und Präsident der Anlagekommission Nest, lic. Phil. I, Oec. Publ.**

Christoph Müller is an investment policy specialist by nature and has focused his activities on the design and implementation of sustainable portfolios. He is also familiar with tactical asset allocation. He was Chairman of the Board of Trustees of an investment foundation, and was previously responsible for the analysis of the international business cycle at the Swiss Federal Institute of Technology (KOF-ETH). He started his career in the financial sector as head of fixed-income analysis at HSBC Guyerzeller Bank AG. Christoph Müller studied economics at the University of Zurich, where he worked as an assistant and lecturer.
